This week-long program is for Dancing By His Grace Corps de ballet students who completed the 2023/2024 school year in classical ballet.

We will focus on theater and acting for dancers, as well as classical ballet and character technique. This will culminate in performances of the delightful and original story ballet "Madeline and the Tea Party" at Samuel's Public Library.

This is an original take on the beloved Madeline character. Performers and audience alike are encouraged to compare and contrast this story with what you know about Madeline's character.
